“ We were so saddened to hear the news of Aunt Janet's passing. Now she is in heaven with our beloved heavenly Father and her most beloved husband, our Uncle Don.

Aunt Janet was very special to so many people. She had a heart of gold and always opened up her home to the extended families from out of state. She would cook and cook for everyone that she welcomed in. The perfect hostess.

What I will always remember most about my Aunt Janet was her cute little smile and the way she would giggle when something funny would be said or done. That will always be a smiling and lasting memory for me.

With sincere condolences, she will be truly missed. God Bless her.
