“ I remember the Pike and Howard families when, as a small child, I faithfully attended Bethel Baptist. I was saved and baptized in that church. These families probably didn't realize it but they left a tremendous impression on my life. Although many years have passed, these valuable memories still linger. God is faithful and will comfort in this hour.

“ I was the first of his nieces/nephews on the Howard side of the family. Uncle John would quite often recount the adventures we had when they "borrowed" me for the day before they had their own children. He and Aunt Bev never rode on another ferris wheel after I scared them by slipping off the seat and landing on the footrest during a ride at the carnival. I was too young to remember this, but he would tell me I said "Do it again Uncle John" when we took an accidental swim after he stepped off the side of our cabin cruiser into the water with me in his arms. (He thought that there was a small walkway all around the boat). I never tired of hearing all of his stories. I especially remember the ones when he incorporated his love of magic & music into Bible Stories. He was a wonderful photographer. He took the photos for our wedding, our daughters wedding, both of our kids graduations, and most of the pictures of all the babies born into the Howard family- in Grandma Howard's christening dress. His love of life and laughter was contagious. Thanks for all the wonderful memories you have imprinted in our minds, Uncle John. We love you and will miss you always.

Our sympathies, prayers, and hugs go out to Aunt Bev and cousins, Steve, Joel and Chris and their families.

With love,
