“ I am so filled with emotion that even this is hard but here goes. Uncle RT was my second Dad. I would spend weeks with Uncle RT and Aunt Audrey as a child and teenager. They took me on every vacation with them. Uncle RT always made me feel loved and cherished. This was so important to me. As an adult we shared so much. Your birthdays, outings, staying overnight with each other and lots of long talks. So many times you have said " now that we solved all the problems of the world- let's go to bed." I think of you so often and all the things and times we shared. May you have the very best of times in heaven. Dear Aunt Audrey,Bev,Chris and family, My love to you and may your memories of this wonderful man give you comfort.

“ Heart is breaking over the loss of this special man I call Uncle. So thankful for the wonderful memories I have of the times we spent together. Glad that I have a little piece of him in the beautiful bookcase he made for Grandma years ago. Even though my heart is heavy I know that he is having a wonderful reunion with his parents, my Daddy and Uncles, his nephew and niece and all those that went before him. So thankful his mind and body are whole again so that he may watch over Audrey, his girls and grandkids. My thoughts and prayers go out to all of them. I wish that Dave, Mike and I could be there to say goodbye and hold those that are hurting. Love you all.

“ What a special friend we have lost. We had many good times and memories with R.T. & Audrey; going on a long trip out east in their motor home, playing cards every week, here and our winters in Florida. R.T. And Harold were more like brothers, they grew up together in the same town. Prayers for Audrey (who we will keep close to every week), Beverly, Chris, and all his loved ones. He is home now with his loved ones that went before him.
