“ I'm going to miss her like crazy. She was the best Grandma in the whole world. I remember when I was small and I was sick she stayed up all night with me as my mom had to work the next day. I will always remember having long talks and going on walks with her. Going to the nursing home where she resided and having her hold my hand and pat my leg as she did when I was a child. Grandma I love you and miss you so much already.

“ Vicie was an amazing women! she was the best grandma ever, so kind and loving to me and my brother and always treated us no different. I will never forget all the laughs and good times when we were visiting. she would always make us laugh. I will also never forget how much fun she had when she went to the casino's that was something she loved. Every time i bake a pumpkin roll i will be thinking of her. grandma taught me the trick to make them thin :) and i have been making them for years ever since but they still never tasted as good as hers. We will miss her deeply.

with love,
Erica, Eric and boys and kirk
