“ Hours and hours spent in your backyard, Grandma Fox. Home Run Derby with Casey, Frank and Chad. Catching bombs from Frank in backyard football - he could never out-throw my fade route :) . All those hours we were playing hard, learning how to compete, dreaming together about what we wanted to do with our lives, and developing a deep life-long friendship. When I think of the things I did growing up that had the most impact on my life, playing in your back yard is right there at the top of the list.

And you never ever missed a game. You definitely set the bar for grandparents supporting their grandchildren in sports. I remember my mom used to always say that she wanted to be just like Grandma Fox - never missing an event. She loved you dearly. We all did.

I know you're celebrating right now in Heaven with Grandpa Fox, and you're both healthy.

My prayers and thoughts go out to the entire "Fox delegation". What a great family, and a great legacy from Grandma and Grandpa Fox. Hope you've all had a great celebration of Grandma Fox's amazing life.

“ My prayers go out to the family for peace and comfort. I have so many great memories of Barb. Have been thinking of them and I remember every Halloween my kids would say we have to go to the Foxes cause she gives out the best candy ever. I will never forget her beautiful smile, always smiling. I know she used to watch over me while I was young, knowing how sick my own mom was. It is true what they say about it taking a village to raise children, as my siblings and I are results of this village watching over us. You will be so missed Barb.. Rest in Peace beautiful Lady.

*Mary, my lifelong friend, my heart is saddened for you and the family. Life is so short - memories are so precious. Jesus calls for us all - the timing is His and He has now welcomed your mom into her eternal home. We will see her again.*

I made a few friends, but I went to the fox home many times, and was treated well Mary was, and still is one of my friends It can be life changing, in some ones life when they are trying to find their way in life.being called names,and other things for the color of their skin. AND THEN COMES MARY, AND BARBARA FOX. NEED I SAY ANYMORE. REST IN PEACE MY FRIEND. ANNE*
