“ Lois,
*I am sorry to hear about Al. I always think of him when I see a patch of glad's.
He was always taking care of his when I delivered mail a few years ago. I know he was a joy and a lot of help. He gave of himself unselfishly and was a very kind man. Seems like yesterday when I last talked to him in Wal-Mart.*

“ I did not get to know Albert very well in his short stay with us but I feel that he is in a better place and is enjoying watching over all his close ones from above. My thoughts and prayers are with all of you and I consider it an honor to have been able to have had him with us.
