AL we love you and miss you much. You were the best neighbor anyone could have asked for. You truly lived in your heart "Love your Neighbor as yourself!" You were so giving and so friendly I don't think you ever knew a stranger. We learned many life lessons from you and especially how to give to others without asking anything in return. Thank you so much for being a part of our lives and showing us how to give and be a good neighbor; you and Linda share that same heart. You will be missed my friend. May we all live like you did Matthew 22:39

Matthew 22:39 And the second is like unto it, Thou shalt love thy neighbour as thyself.
