“ Just heard of Alfreida's passing. She was so kind to all of us and was our daughter's Sunday School teacher. We loved coming out to the lake for our church picnics. It was such fun out there swimming and boating. I am sorry for your loss. We loved her.

“ Alfreida was a bright and beautiful soul. She went through many trials and tribulations in life and continued on without hardly a complaint. She always did for others no matter what their situations were, she just enjoyed being able to help and make a person's life a little easier. She was loved by many and missed by all who knew her.
