“ To Alice's Family:

Words cannot express my grief over the passing of Alice (Bauer) Burza. I grew up with Alice and have many fond memories of her life over the years. I kept in contact with her every time I would visit Michigan. Even while she was working, she always made the time to chat.

Her life revolved around those she loved. She was a compassionate and loving human-being, and so much loved her kids and grand kids as well as those she came in contact with. She will be missed! My condolences to the family. May God Bless you all during this difficult time.

Alice and I went to school together. We didn't stay in touch much until we found each other on Facebook. We shared a similar thread, the loss of our moms. We would talk about that. Life can be so unpredictable. The family is in my prayers. We can find comfort knowing Alice has been reunited with her mom in heaven. God bless and God speed.

Oh my gosh what can I say. It seems like just yesterday you and I were running around trying not to get into trouble. You were the best friend anyone could of ever asked for. I wish we would of stayed in contact over the years. To your daughters my heart breaks for you. Your mother was one of a kind and no one will ever forget her. I still can't believe you are gone. Rest in Peace my dear friend.
