“ *To the Karr family,
So sorry to hear about Al. I'm sure he and my dad are already having a good time together. Your family and mine go back a good many years. I liked that you mentioned his tormenting all the kids, he sure use to tease the crap out of me when we would come over to the house. He was a very good person, even thou he tried to hide the fact, he had a heart of gold. He will be missed by many specially his family. Just remember he will always be in your hearts.
My thoughts and prayers are with you all,
Sincerely,
Suzie (Ghidotti) Traudt*
