“ I love my Uncle Allen! I have so many fond memories of him when visiting the farm throughout childhood. Uncle Allen was the one that would play and joke with us, even after a long day's work. We'd even take turns getting carried on his shoulders hiking in the back field, but we earned our ride by swatting deer flies from him with his cap! I was amazed how he still had playful antics with my two kids the last time I was able to see him. I was so happy for him when he had married and had baby Hannah, our youngest cousin! God had blessed him and I know he will hear, "You did well, my good and faithful servant."
