“ Dear Family,

There are no easy words to say...nothing I could say is going to make you feel any better. It's awful. No matter how long you prepare, it doesn't make it any easier. Just know you have many friends and family that love and care about you. They will be there if you need them. Joy will always have a special place in my heart - we shared a very sacred event and I will never forget her. “ Dear Don and family of Joy,
Our deepest sympathy is with you during this difficult time. We all know what you are going through as you know we buried our Asher in April. It has been so hard. If you need to talk or someone to listen to you please don't hesitate to call us.
Our prayers are with you.

“ Heather and Elizabeth: We were so sorry to hear that your mom has passed. She was a great person and we will truly miss her. She always had such a great smile. You should both know that she loved you both very much and was very proud of you. I'm sorry that we can't attend the services due to work commitments, but know that our thoughts and prayers are with all of you.

Love to you both
