“ *We are so sorry for loss of Tony and send our condolences to the family and his wife.
We also lost our son, (Tony Sanchez) in October and to know the feelings we are dealing with every day and losing our son is a tremendous lost feeling and we didn't know Tony that well but he has come to our house to watch football with our friends and to know there is a family going through the terrible days ahead are heartbreaking to us and we can only say we are so sorry and keep the good memories close and know you are in our thoughts and prayers.
