

## Ardyth I. Lumpp

July 11, 1926 - July 17, 2013

Ardie, a warm, loving mother, wife and friend, passed away early Wednesday, July 17. She was preceded by her husband of many years and is survived by 3 children, Lee, Denise and Diane; 7 grandchildren; 20 great grandchildren and 1 great great grandchild. Ardie, as friends called her, had a zest for life and was a fun loving person. She enjoyed a good laugh and donating some of her money to the slots at the local casinos. She had a big heart and was willing to give a hand or shoulder whenever she could. Early in life she worked as a telephone operator and later at Shakespeares in Kalamazoo during WWII. She was interested in her families' genealogies and worked many hours piecing together details of her family. She will be sorely missed. The family will meet friends Saturday 11 AM until time Celebration of Life begins at 1 PM at the GOBLES CHAPEL, D. L. Miller Funeral Home, Pastor Carol Newman officiating. According to Ardyth's wishes, cremation has taken place.

“ Aunt Ardie you will be truly missed by all, your sweetness was loved and shared by whoever was around you. I remember whenever uncle Willard and I went fishing you always met us at the door to see how we did. You go be with him now and let us deal with the turmoil's and tribulations down here one earth. I know Heaven is great and full of riches for us all. I will see you soon and until then remember we all love you.

“ To my dad, aunts, and cousins, may we all remember the life gramma and grampa led. They were solid, hard-working, fun-loving people. Gramma's sweet voice welcoming us into her home and reminding us how she loved us will never be forgotten. She accepted the best and the worst from each one of us. She never tired of hearing what we were up to, and wanted us to keep her updated on all the happenings in the families. Her sweet gentle spirit should live on in each of us. She never slowed down (until she had to at the end). She lived her life to the fullest and lived independently, stubbornly, and not wanting to be a bother. She was amazing, I will treasure her recipes, geneologies, and stories of the old days. I want to live a life that is as full as her's was. Friends, family, independence, she treasured them all. She was so proud of her family. While we miss her, lets live to keep her proud. Know she loved us-she'll always love us. She especially loved you....specifically....individually.....:) Continue to feel that love and let it comfort you as you know she would not want us sad. Good bye Gramma, thanks for the warmth and love that poured out all your life.

I knew "Ardie" only briefly and met her just a few times since marrying her cousin, Lee Dean, but she was always a delightful lady. May God rest her soul and heaven rejoice at her arrival! Jesus has many jobs for this wonderful lady.

*I will truly truly miss Ardie going to the casino on the bus trips, she was always happy and a fun person to be around. She was my neighbor for a few years, and always had a story to tell. We shared the love of genealogy and shared the funny's in the e-mails. Rest my friend and say hello to my mom and dad when you get up there. With sadness I say good bye.
