“ Just heard about Arliss today. She was a very dear friend and will be deeply missed until we meet again in Heaven. I first met Arliss at my Curves in Bangor. She was a faithful member who attended often until I closed. I have been by to visit at her home, and we always had an enjoyable visit. She was such a very sweet person . May God comfort you in your loss.

“ Sorry I wasn't able to attend the memorial service. I extend my sympathy to David and his family. To Lloyd and Patty Everhart. I loved my Aunt Arliss so much. Will miss talking to her on the phone and seeing her. I cherish my talk with her the day before Thanksgiving. My thoughts and prayers will be with you all during your journey down the road of grief. God's blessings. Wandalee

“ *I want to send my condolences to Arliss's family as I can't be there to do it personally. I remember how she would have me come to her place for Thanksgiving with others that didn't have anywhere else to go and we had such a good time. She was always warm and friendly and loved having people stop in. We traveled together for a few years and had so much fun when we got off the beaten track, she was a wonderful travel partner, I will miss her so much. I will keep you all in my prayers, she was loved by so many and will be missed greatly.*
