“ I love you Dad....you will be missed. I wish I seen you more. I wish I could of been there to see you one last time. I will never forget everything you did for me. I love you and miss you so very much.

“ My husband always put me on a pedestal and treated me like a Queen. Every day for 29 years he told me he loved me and that I was Beautiful, even when we were arguing. Every night as we laid down to go to bed, the last thing art would do was sing me a verse or two from whatever song he was feeling that day! He loves his music.
