“ Very sorry to hear of Barb's passing over the weekend. Our condolences go out to you George, and the Families.. Always a lot of fun to be around, unless rooting for a Michigan team against the Irish. Never wanted to stand too close in those moments. A great lady that I had a lot of respect for, and a very helping hand and dependable when it came to the American Legion Post #160 over the years. She will be missed by many... God Speed Barb.. And Go Irish..

“ *I met Barb thru our affiliation with the American Legion in Bangor. We worked together on many events together, Christmas floats, legion dinners, dances, children's parties & Bingo. She was always willing to step up & help out. Her & George were very supportive of me when I was the commander of the legion, & I appreciated it immensely. She was fun to work with & I enjoyed playing many card games with her over the years. I'm sorry for her loss & send her husband, children & grandchildren my deepest condolences.*

“ *Barb Bray was a character. They broke the mold with Barb.*

I used to offer cooking classes in Bangor at SUMC, and Barb participated in my Culinary Ireland course. I always incorporated the featured country's history into my classes and talked extensively about how the Irish were treated horribly for a long time in America. I talked about how more children died from the potato famine because their parents thought feeding their children the inside of the potato was better for them, while the parents ate the nutrient rich skin. At one point I looked up and saw Barb crying due to the hardship and sadness that was prevalent in her Irish Heritage. Barb was proud of being Irish. I always made sure I didn't speak negatively about Notre Dame Sports in her presence. Barb was a tough old bird. I also admired her support of the American Legion Post 160.

Barb Bray was a character, and I'm glad I was able to experience her energy and personality in my lifetime. Rest in Peace Barb, and I send my heartfelt condolences to her family.
