“ *Very sorry to learn of such a wonderful soul passing. Sylvia Crosby and her family send loving thoughts to her husband Bud and family. Barb was a great blessing to many and she kept in touch with my Mom (Sylvia) over the many years as cousins always do. Even visited Connecticut a few times with Bud to share wonderful days and many smiles. May she rest in peace as we know she will probably visit all of us as an Angel that will watch over us until we meet again. God Bless... Sylvia Crosby; Melanie Chebro, Joe Uhouse, Mike & Jeannie Chebro sending all our love and prayers.*

“ *Sorry to here of your loss. I have fond memories of time spent with the family as I worked funerals for Uncle Bert & Aunt Genie. I remember the bad winters when I removed the snow and ice from your roof. Since I was on the basketball team, school was closed, and I couldn't get home to my house in the country, the McKanes let me stay in town with them. They treated me like a son. I've always been grateful for their kindness. Also, the work I did at the funeral home prepared me for the death experiences I faced as a combat medic in Vietnam. RIP in your Heavenly Home Barb.*

“ We are so very sorry Bud and family. When I was young and waited on her at my mom and dad's Tastee Freez I always thought she was so elegant and pretty. When I worked at Du-Wel and ICG I had the privilege of dealing with her when I placed orders with Breedsville Wood for our company. When we bought a lakehouse near their home Barb and Bud were kind enough to stop and welcome us to the neighborhood. She had a beautiful smile and a kind heart. May God be with Bud and family to comfort them. She definitely was my definition of a classy elegant lady.
