“ Dear Doug, Becky, Roger & family...
I have many memories of Aunt Barbara...one that stands out is when My Mom,my sister and I were sitting at the same table with Aunt Barbara at Grandma Ruth's house....she made us laugh so hard that we were crying and our stomach hurt....but it was such a wonderful day. Later in the day, she played the piano and my Dad & other Aunts and family gathered around and sang. These memories will never leave me...she definitely left an imprint on my life...she will never be forgotten....love to all of you & you are in my prayers.....Julie Jackson Wilder

“ *What a wonderful time in our lives growing up with such a great family in Doug, and Roger, with Aunt Barbara and Uncle Harold. Trips to Pullman were a highlight of all those years when we were young, when my Dad and Mom would pile us into the car for that trip!*

I cherish the memories of Aunt Barbara's sense of humor, commitment to Christ, caring manner, and delightful piano playing that contributed to making those family gatherings so enjoyable!

Doug & Becky, Roger - you are in our prayers!

God bless you all!

“ Barb has been the highlight of my life at work for the past 7 years. I’m a CNA at the nursing home she stayed at. My husband was diagnosed with cancer in 2021. She asked about him every time I come into work. Barb was also there in my life when my children were born. She kept a picture on her wall of my daughter since she was 6 months old, she’s turning 7 tomorrow. I’m going to miss her so much. ❤️❤️❤️

“ Doug and Becky. Aunt Barbara was so loved. Her courage, strength and faith showed in her always. My heart is broken. The last of the Reed sisters. She is home with God and Uncle Harold and her mom and dad and all her sisters. Peace and comfort be with you. I love you. Martha
