“ *Lots of good times we shared, we really liked to celebrate her birthday, years ago sometimes we celebrated her birthday 3-4 times in a year. Only she would know what I'm talking about, but we had alot of years of laughing about it. Eventually I was confused when her birthday really was. We truly celebrated it every time. Singing it and all! Now she truly does have more than one birthday.*

“ I first met Barb some 48 years ago when her family moved to Bloomingdale in 1970. She was besties with my sister Wendy (Cravens) Green and would come over on Friday nights to spend with our family. She would often tell me how much she loved her children and would do anything for them. I have so many fond memories, and will miss her dearly! My condolences to her children and family. Prayers of comfort and eternal love sending your way.

“ Every single time I saw Barb, she had a big, friendly smile on her beautiful face. She was always at our band performances and was always supportive of our community here in Bloomingdale. Anywhere she went, she would greet us, give a tight hug, and share very positive and pleasant conversations with us. She will be dearly missed. With a heavy heart, I share my condolences with her amazing children. Prayers of comfort and love sending your way.

“ Our deepest sympathy, to Barb's children, and Randy, Connie and families....
It's been so many years since we laughed and played as children in the yard in Oshtemo...but I cherish those memories of little blond Barbie.....

May your memories of Barb give you peace and comfort.

Barb and I first met in a doctor's office when her Joe and my Josh were just a few months old. During that conversation we discovered we both lived in Bloomingdale and our boys were born in the same hospital just days apart. That was over 27 years ago! Barb always had a warm smile for everyone and always made time for her friends. We will all miss her.
