“ She was a strong woman who's been thru a lot. She had an impact on people that struck them deeply in their hearts, they know who they are if they see this. Barb impacted me as well, she could make me laugh no matter what, that was just her. She will be missed dearly and I know she'll be watching over the ones she truly cared for. The memories she gave me will always be in my mind. I love her, she was a good friend. Barb is and always will be known as Barbarelli to me. She'll know what I'm talking about cuz I know she's watching and listening. I, we all will miss you very much, RIP!!! For Harold, my thoughts and prayers go out to you.###imported-begin###Matthew Forrsest###imported-end###
