“ *Uncle Billy, You will be missed so much. I remember all the time that you have called me, to see if I was ok after mama passed. You and the (Un's LOL) kept me going. Anytime that Oklahoma City was in the news, I knew that one of you would be calling to see if we were all ok. I would sit by the phone waiting on the call, and it always came. Rest in peace, I miss you. All my love Linda Jones-Clement.*
