“ Belva Lou was and always will be my grandmother. She always encouraged me to do my art and follow my heart. I got to spend three months everyday with her for awhile so I have many amazing memories with her. My absolute favorite comes down to when I asked her about her salvation and her story of coming to papa GOD! My cousin and I were always her Miracle grandchildren and she reminded me daily how special I am.

“ So many memories as I've known her forever. She was just always there. She was always smiling. I looked up to her and held her in high regard. She will truly be missed. Two of the best memories, all of the sewing she did for the high school band uniforms, and “One on the bean!” ❤️

BelvaLou and I met when we went to high school. We rode the bus together. I've always admired her strength of character and disposition. I was very happy to know she had a loving family with a devoted husband talented children. She deserved the best and got it and appreciated it.

“ Heartfelt prayers to the family of Belva Lou. She was a very kind lady. She restored many dolls for me and Aunt Ester. She was also very good to my boys when they were little, giving them gifts when we would stop to drop off doll or sewing machine for repair.

“ My deepest sympathy to the family for their loss. Mrs. Krizan repaired my sewing machine for me several times. She was a hard worker, talented in many ways and always reasonable and fair. Although I did not know her well, she touched my life and many others through her dedication to family and community during her lifetime. She lives on in the hearts and memories of many others.
