“ *Judy and Family,  
My thoughts and prayers are with you all. Always remember the good times you had with Ben and those times will get you through the tough times ahead. Life sends us many curves but the Lord said it was time for Ben to come home. And as I always remember in times like this that he is in a better place and will still always be by your side but not in the physical since. Keep your faith and take one day at a time.##imported-begin##Cindy Lee##imported-end##*
