“ I am Chad Ashbaugh Bernie was my Aunt . I remember growing up once a year Aunt Bernie and Uncle Bob would give me a dollar for how many years I was old. Bernie always had me sit on her lap and treated me like her own son. I hope you are in heaven with uncle Bob and his brother my dad Jim and Mary Bell. Say hi for me and hope I will see you again one day.

“ Dear Sweet Bernie, You and I shared so much we told each other things we couldn't tell anyone else. We talked on the phone 2 or more times a day every day no matter what was going on we always thanked the Lord for the phone. You loved my girls like they were your grandchildren. I will always keep the memories of you going out to dinner with my family, my Parents loved you to. You were so happy when we came to visit, and you fell in love with my grandbaby Chloe, she was another part of your family. I miss you so much and I know I will see you again some day. I'm so thankful you called me the night before you passed you told me you wanted to hear my voice and tell me Thank You for being your best friend. We had already talked 2 times that day. I know you always Prayed for me and my family. You are the BEST FRIEND any one could have I'm so glad God put us together 16 years ago. You will always be a big part of my heart. This isn't good bye its see you later.

“ *"Grandma Bernie" was the first person I met the very first day I came to Calvary Baptist Church. She told me that she had been praying that afternoon that God would bring a visitor to evening service, and that "visitor" was me! From that time forward, she took me under her wing and mentored me; I had only been saved for 7 months when I first came to her church. Her love and sweetness and godliness has been an inspiration for me. I love you, Grandma! Can't wait to see you in Heaven!*

“ *It's been 20 days almost 3 weeks since you passed away. A part of me died June 1 2014 I had many more questions to ask and feel only you could answer due to you're walk with Jesus. I stand beside myself in shock that I can drive over and visit you. But I know you battled health problems for so long and dying as morbid as it may sound was relief . Tell Danny New I still think of him time to time.*

“ Grandma was awesome there are so many memories. The horses and the tires and spending days with her while dad worked. I remember Bob Marcia Ryan and I stayed with grandma and Grandpa while mom and dad went on a little vacation. Oh grandma got so aggravated with Ry she pick this small tree she said Ryan Harold I'm going to beat you with this switch. It's funny now but oh if you could have seen her. I don't think they were ever so glad to see us go home. Love you grandma give dad and grandpa my love. I'll see you again one day.

“ Dear, dear Bernie. Yes, you were one of the dearest ladies we knew. Cheerful, loving, faithful and helpful is first in our mind. Generous beyond measure is another trait that was yours. You worked so hard to see that everyone else was happy. Now you are happy in the arms of Jesus and are with those you love and have gone before you. We pray comfort for your family.

We all love you and will miss you dear lady, Ron & Flo Fluty
