“ Peg will always have a special place in my heart. Over the years I was able to spend her Birthdays with her and this last one I was unable to do so. She will be missed. My thoughts are with you all.##imported-begin##Ruth Seely##imported-end##

“ We have know "PEG" for over 50 years. Will never forget her and what a time we had years ago when we lived on the north side-We had a Mynah bird on our porch and 'Peg' would walk by and that bird would give her a big whistle. For a long time "peg' thought it was Jim. After the bird was gone "peg' would still get whistles as she pass the house from Jim and our son Allan. With "Peg's' passing a lot of knowledge is lost especially those on gardening. She was so proud of each and everyone of you and always told us about you. We will be with you all in our thoughts and prayers as we are in Florida and cannot be there in person. God Bless you all.##imported-begin##Jim and Terry Hosier##imported-end##
