Tribute Wall

“ Years ago our family took care of Bertha and Charlie's eyecare needs. She always brought me a candy bar, showed me pictures of her family and we would sit and chat for at least an hour. Charlie and Bertha were one of my father's first patients when he opened his business back in the late 60's. Bertha continued to do business with me until the late 90's. Lost track of her since, but now I know that Charlie and Bertha have been reunited. Sincerely, Chris Steinhoff-Wagner##imported-begin##Chris Steinhoff-Wagner##imported-end##
