“ I remember seeing Betsy every time I went to visit Bonnie while we were in school. She always had a smile & taught me to make brown bag microwave popcorn. Then as adults I marveled at her crafts & enjoyed visiting with her in church. She adored her family & they loved her right back. She will be missed until we meet again when Christ returns. Rest well Mom E.

A dear Aunt! I loved visiting her! I loved her laugh as we talked! She always talked about her girls and their families. And our larger family. She always had this twinkle when she spoke and smiled! My Mom and Dad were close with them! My Dad stood up wit Uncle Bill at their wedding and my Mom, Uncle Bill's sister sang at the wedding. She will be dearly missed!

Betsy always made it a point to make you feel special. She was so generous with her love for her family. When I was little we had a family tragedy and Betsy took me in as one of her own. I stayed with Bonnie in her room and was made to feel so welcome and comforted. I will forever think of her as a second mom and was blessed that she thought of me as one of her girls. I will miss her so much.
