“ *Sure do wish we could be there, you will be in my thoughts and prayers. Loved her so much and sure will miss our conversations on messaging and our sticker sharing. I have so many memories of good talks, laughs and enjoyable time. She never ever made me feel like was not part of the family, even after all these years. Her smile was my favorite and her soft voice, unless of course she yelled (which thankfully I didn't her but maybe once). :-)* Love and hugs to all of the Michigan family.

“ *We have fond memories of our visits with Betsy and her family, both when we traveled to Michigan for a visit and when they came here to Minnesota. We share grandchildren, who also have special memories. Our hearts go out to all her family at this difficult time, but we know she is now at peace as she has suffered, oh, so long, these past few years. God bless the memory of this woman!*
