“ *My grandma always took care of herself when it came to having her hair done and make-up on. I remember she would be outside gardening in her jeans and shirt and dirty old tennis shoes, but her hair and make-up was done!*

“ I remember spending a lot of time at Aunt Betty's house when I was a little girl. My cousins and I used to go ice skating on her pond every winter. I also remember that she liked feeding her chickens and cats . Aunt Betty will be missed very much.

“ When I was little we would visit every summer, when I saw Aunt Betty she would always grab a brush and brush my hair, I wondered if I would have any hair left or if it would all be in the brush! I will miss her deeply!
