*Love and Miss you Gram! We all do: Wes, Ethan, Randy and Myself...I know that you are Randy's Guardian Angel and always will be! I could go on and on of everything I will miss about you...I will miss my dinner buddy..you loved old country barfet (that's what you called it), King Wok Buffet, you were always there when anyone needed you, day or night...you helped me more than you know with the kids.
Love You and Always Will,
Your Grand daughter,

“ I can't even put into words the sadness that i feel for the loss of such a great woman. I feel like she was a part of my family along with Lynn, Stacy, Laura and Randy. I grew up with Lynn. I remember going to her grams house with her, hiding from her crazy cat or going out to eat. Betty was an amazing woman. She was loud and funny, always spoke her mind, had an opinion about everything, and above all else she loved her family and would do anything for them. You may be gone physically, but your spirit will always be here, we'll all miss you!!!

“ My cousins Richard and Laura....I cannot say words that will comfort you in your loss. I always enjoyed Aunt Betty...we could talk about law and our mutual liberal to left wing political views without acrimony. We are both of strong progressive opinion. I remember so well the time in our childhoods when Uncle Ken and Aunt Betty drove out to California to visit with us when we lived in La Puente. Great to get to know our cousins from way up north....at that time in my life I had never seen snow. In 1962 we returned to Bangor in the middle of a harsh winter. We shared meals with your family....the adults always telling stories that were not quite "fit" for our ears....Aunt Betty laughing raucously. How I will miss that laugh. Both your parents live on through you and your children and those well beyond today's vision.

“ *Richard & Lara, your mother was a guiding light as we were growing up, never letting us stray too far. That my be why we always headed for the farm and to play outdoors. A lot of memories and I know she will be missed. Take care, everyone.*

“ I remember the first time I saw a hummingbird was with Aunt Betty:) And she used to let me & my sister (Amber Adkins) bang on the piano like the crazy girls we were!! And when we said we were hungry, she would dig around in the fridge like a "Mary Poppins" bag, and produce a lot of tin foil wrappers and we would all just dig in!!!!:) And best of all.....she would let me sneak into Great Gram's room and get funky with the perfume! Hahaaa!!:D Miss you Aunt Betty.....been missing you. Love you!!!:)
