“ Betty was an amazing woman and I'm so happy to have gotten to know her. I enjoyed sitting next to her in church and catching up each week. She loved you boys so much. She used to share with me how sad she was that you had to worry about her but that she loved you so much for being so attentive and taking care of her. She also spoke very highly of her entire family and how much she loved everyone. I am sad she is gone. -Shelly Umbanhowar

“ Aunt Betty was such a kind and spunky lady. She was the first Sunday school teacher to me, picking us up for church when we were very young, and I will never forget the gospel I heard through her witness.

I love the way her Berry sense of humor always showed through when her brothers would try to pick at her. Love you Paulie and Gary, Aunt Betty and Uncle Leroy live on through you.
