“ To the Wokeck Family,

How deeply saddened I was to hear of Bev's passing. She was a wonderful woman whom I have fond memories of, while working together at Dancer's Ben Franklin. (She and my Mom are together again! Do you think they are re-stocking the shelves in heaven?) May God bless you all and fill you with His strength and peace.

With deepest sympathy, Patti (Distefano) Henry##imported-begin##Patti (Distefano) Henry##imported-end##

Words cannot express the sorrow I feel at this time in your loss of a very dear and special lady. Aunt Bev has been part of my life since the day I was born and I will surely miss her warm smile and kindness she has provided to me and our entire family.
