“ Mom, it's that time of year, mushrooms popping which of course means MOTHERS DAY WEEKEND! You are missed beyond explanation, but you know that! I hope you and Dad are exploring...and back to what our families normal is. I still hurt, this pain I accept how can it truly heal? I know you are watching I know you are shaking your head and saying jamiedammit, but also know your sending strength to get me to move to the next chapter. I will get there, with the help of the ones who haven't forgotten me...who will support my decisions. If they can't be part of the solution they have no place in our lives. We love you so much and are so happy to know you and dad are reunited! HAPPY MOTHERS DAY 💕💕

“ Tomorrow will be three years, I still cannot fathom how I have managed without you by my side. Mom you were the rock the center of our family and forever I will be grateful to have known you not only as my mother but as my friend. You are missed so much I cannot even explain.
