“ Geri,
*I saw in the paper that Bill had passed and wanted to extend my sympathy to you and your family.
So that you can place me, we know each other from when I worked at Hill's Pharmacy and we would visit about Palm Island (my daughter had a home there).
Just wanted you to know you were in my thoughts and prayers.

“ *Still seems weird knowing you're gone, with as much as you overcame I had come to believe you were invincible. You will surely be missed I know it's hurts now but I can take comfort knowing that you are not in pain, and that you are with grandma. You may not have been the sterotypical grandpa, but that's okay you were my grandpa and I wouldn't have wanted you anyother way. Love you and Miss you.*
