“ I am heartbroken to read that Brody has passed. Brody was the kind of athlete that coaches would plan against because if you didn't, he could, and would, beat you with his natural athleticism. I looked up to him as a competitor and always hoped that I would be able to catch up with him someday and talk about the old days on the gridiron. Rest in peace #10 and prayers to his family and friends

“ Chris,

I am very sorry that you and your family is experiencing the unimaginable death of a son. It is not something that you get over. You can get through it, but not over it. A superior of mine at the prison I worked at when my son died gave me some advice: never stop talking about him. People will not know what to say to you and that is fine. You don't want people to "know" what to say. If you need to talk or need anything, just let me know.

“ Kevin, Chris, Catie, Keegan, and family, I am so heartbroken for your loss of Brody. I am grateful and honored to have had the chance to teach and coach one of the nicest and talented young men that have come through Gobles. Brody had some superhuman abilities in sports. I have many great memories of him that I will never forget. Like the time he hit home runs in Bangor and Decatur in clutch situations. I don't think those baseballs ever came back down and hit the ground. I've never seen two baseballs hit so far from a high school athlete. It wasn't just his amazing talent on the sports field, it was his gentle heart. I love that boy and will truly miss him. We pray that you find strength during this difficult time of healing. Bob, Lori, and Family.

“ Chris, Kevin, Keegan and Caity,

I am so sorry. There are no words that come to mind other than devastating. My thoughts and prayers are with you in this most difficult of times. May you find peace in the comfort of our Lord Jesus Christ's embrace.

Brody was a loved young man by many. I feel blessed to have had been allowed to cross paths with him. He always had a kind word whenever I would run into. I will remember him as a kind and loving person.

Eternal rest grant unto Brody O Lord. May the perpetual light shine upon him. May Brody's soul and all souls of the faithfully departed through the mercy of God rest in peace. Amen

“ KEVIN, CHRIS AND FAMILY

We are so sorry to hear about Brody! I remember him from way back in nursery school and watching him grow through the years. I used to sit in the parking lot at KVCC and watch him play baseball. You could tell he was a natural athlete even from the first day of soccer all those years ago. Our hearts and thoughts are with you all!
