“ I can't believe it's been almost 20 years. 16 years and yet you still come to my mind almost every day. I think about you all the time, and as you know, I talk to you quite frequently. I think about your quirks, I still remember your eyes and your smile. One of my favorite memories I will always remember. I came home from school one day and your son Adam had his daughter Alex over. She had to be only four years old and was in the biting stage, she came over and bit you. Shortly after you better back with only gums in your mouth. I remember laughing so hard and it was great because she never bit anyone again. 😂😂 I also remember the time it was right before 1 AM one night and I was devastated in tears, I didn't want to talk to anyone, but you heard me crying and made me come to you to vent and talk. You reassured me that everything was OK, and told me not to worry, so much. That is a memory I still hold to my heart. Even though you were going to so much with your health, you made sure that I was OK and felt loved. I still miss you, I hope you and grandma are at peace and enjoying your best afterlife 💖🙏

“ My dad was a very humorous and giving man. He is missed everyday and thought about often. He is really missed on the really good days and extremely missed on the really bad ones. He always had some smart ass remark. I love you dad and haven't forgotten the promises I made.  
Love your daughter,

“ Uncle Bruce will be missed dearly. Services were nice, with a beautiful eugoly spoken by his brother Adam who loved him very much. Lots of fond memories were shared today. Uncle Bruce was a kind soul with an unforgettable sense of humor. Loved the New Years Eve photo, great stuff. I learned that he served in the Air Force. He was a person that I cannot recall to have ever said a bad word about anyone. My heart goes out to my Aunt Chris and all of their children. May he rest in peace.##imported-begin##Sarah Riede##imported-end##
