“ Dear Family,
Having been from Bloomingdale, we had become followers of Caden and his story. He was a mighty warrior and fought a good fight. What a testimony to the rest of us who take life for granted. You are a special family and our prayers are with you. As you enter this next phase in your life of adjusting to your little angel being gone, know that there are many like us who are there in spirit with you, holding you up before the throne of grace.
Love and prayers in Christ

“ May your deep sorrow be swallowed up in the love of God that's greater...praying for each of you, clinging to God's promise to "restore the years the locusts have eaten." Not knowing "how" God can do it, just trusting He CAN...and He will.

“ Caden You will forever live in my heart. I have never met you but I feel like you are a part of my life and all the lives that you have touched. Your family and your journey has been so inspiring and the strength of your mommy and daddy as they watched you slip away into God's hands is amazing. I have a little boy too in heaven so maybe you will meet there as he too is an angel. God needs precious angels and that is why he wanted you so much as you were the most precious angel I have gotten to know. You are healed, running, playing, laughing and in the presence of God and someday you will be with your mommy and daddy and brothers and sisters again. Brown family you will be forever in my heart I am truly blessed to have had the opportunity to meet you and follow precious Caden's fight for life. May God bless you and give you strength through the next days. Thank you so much for your precious angel.

“ This beautiful boy will always be in my heart. He was a warrior and an angel. I am so amazed at everything the parents of children with cancer or a disability do. Everything you do says love. God gave His only son for us, so He knows how you are hurting, and He will give you comfort. He has a special place reserved for you in heaven. We also hope all our prayers will bring comfort. Much love from MD

“ I fell in love with your little boy, without even meeting him. However, through your lovely posts, beautiful pictures and your unbelievable courage and strength, I grew to know him. I am not an overly religious person, but I prayed for Caden every day! I prayed that you all would be blessed with a miracle...Although, I came to realize you were already blessed with a miracle... Caden. What a strong, brave little boy... a boy that touched so many! Your miracle is being blessed with Caden as your child. Although sadly a brief stay in your arms, he is forever in your hearts! I can tell you, that your little Warrior will hold a place in my heart, always! I was so very touched by your courageous journey.

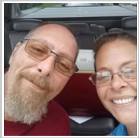

It is my hope that you find solice in knowing you did so much for so many while going through this trying time! I will continue to think of Caden, pray for your family and wish you comfort and peace today and always. Thank you for sharing your beautiful child with all of us!

My love to you all! xoxo

“ Like most of the posters on this wall, I do not personally know you or Caden but I also have been following his story from the very beginning in September and he and his family have quickly become a daily part of my life. Everyday I hoped and prayed for a miracle in their lives and that Caden would live to be a grown man and defeat his disease. There is no doubt in my mind that if he had been given the gift of a full life disease-free, he would have become an awesome young man, reflecting all the love that he has been given by first of all his Savior, his family and all of his now extended family of friends. I too Caden will miss you and your beautiful smiling face but God needed you more in heaven to be His special little angel. You fought a very hard battle sweet Caden but now you're receiving your reward! God bless you Jake and Amanda and your children and please know that Caden's story will never be forgotten by all those who loved him.

*I LIT A CANDLE FOR CADEN BROWN THIS LITTLE BOY
I NEVER KNEW HIM BUT I AM SURE HIS WAS A JOY
THIS LITTLE FACE LOOKS SO PURE AND TRUE
YOU CAN'T HELP BUT WONDER WHY GOD?..WHAT DID HE DO?
BUT THINKING ABOUT HOW THE WORLD IS TODAY
YOU HAVE TO PUT FAITH IN GOD AND CAN ONLY SAY
HE HAD HIS REASONS THOUGH WE MAY NOT UNDERSTAND
HE ONLY TAKES THE BEST SO HE TOOK CADEN BY THE HAND
AND TOOK HIM TO THE GARDEN WHERE HE IS HARD AT PLAY
HE IS REALLY THE LUCKY ONE CHOSEN FOR THE MASTERS BOUQUET
SO WHEN YOU LITE A CANDLE AND SEE IT FLICKERING GLOW
THINK OF THIS SWEET LITTLE ANGEL AND WITH CERTAINTY KNOW
THAT HE IS IN YOUR HEARTS AND MEMORIES WHERE HE CAN NOT DIE
SAY A PRAYER FOR THE FAMILY AND SHED THOSE TEARS OF GOODBYE*

*I WROTE THIS FOR MY LIFE LONG FRIEND CONNIE GOODSON I LOVE YOU
GIRL
AND I KNOW THIS IS AN AWFUL TIME FOR YOU...YOUR USUALLY THE PILLAR
OF STRENGTH FOR THE FAMILY...BUT IT IS OKAY TO LET SOMEONE ELSE DO

RIP little man, I didn't know you , but I have followed on facebook, and you were quite a fighter...The Lord will watch over you and keep you now..Such a wonderful boy, I know your parents are sad, but also glad God has chosen you to decorate his garden in Heaven...I pray they will be given the strength to know their time was short with you, but you warmed their hearts, showed them true love, and will always be a bright shining light that can never be extinguished by anything...I pray for you all, in time you will all be re-united in neverending love....God be with you all.....

“ Caden, through his illness, did an amazing thing. He brought people together from all over the world. He was a witness to the goodness in people, and a witness to the strong faith that can help in the times of adversity. Rest in peace, little one, knowing that you have accomplished mighty things in your short time here on earth. Peace to all of Caden's family as they deal with his loss. May they find peace in the knowledge that Caden now rests in the arms of Jesus, and is once again whole, healthy and happy. “ My most sincere thoughts and prayers go to the Brown family. Caden sure was a blessing to this world for the few short years he was here. I cannot imagine the pain you are feeling because I feel crushed right now at the thought of losing one of my kids. But in the promises of God's word, we know he is in the arms of Jesus. He is happy, running and playing while waiting to see his mommy and daddy again. I know that though he was so small, the impact he made in this world is astonishing. I never met him in person but his story touched me to the very deepest depths of my heart and thousands of others. “ I would wake up every morning and first thing I do is check Caden's page. His smile and strength stole my heart. Seeing his pictures put a smile on my face. I prayed so hard for a miracle but realize God had already had great plans for Caden. Sweet Caden is a precious angel that will always be remembered and loved by many! As difficult as it is to lose a child remember you didn't lose Caden, only his physical being is gone. He will always be with you in heart, mind, and in spirits. God bless Caden and family. Much love and prayers.

“ So very sorry to hear Caden lost his brave battle. He and the whole family are such an inspiration! Caden did more in just a few short yrs bringing joy, and people together and just showing how to face adversity with just a simple little grin and un-ending courage, than most people will ever show or do. And he did it just by being Caden!!!! God had a purpose for him, that he far exceeded. While he is in Bliss now, and so past tears and pain, I want to take a moment for the family. While I know from following your page, you have great strength through Gods love and blessings, but the pain and sadness has to be overwhelming. I pray that Our Heavenly Father envelopes you with all the love and up holds you through this time. God bless you all. I hope you truly know how special you guys are, and how humble I feel to have gotten to know you.

“ I have been following Caden's story on Facebook for a while now. I checked everyday to see how he was! My daughter is around his age (will be 2 in October) and thought of him as I do her. I cried when I heard the news this morning. I am so happy though that he is pain free now and that he can be happy and play and run with other kids like he never could here on earth. Caden has changed so many lives and he had done everything he was supposed to here on earth so god called him home. He was the most courageous little boy I know! He has changed mine and my family's lives forever. Caden and his family will be in my thoughts and prayers always! Thank you Caden and Caden's mommy and daddy for sharing his story and changing lives. Rest in Peace sweet baby boy! You are with Jesus now so run with him and let him cradle you in his arms. :) And you and Jesus need to help mommy and daddy through this rough time. How can we make sense
Of life without you?*

*The good news, Little Angel,

He renews us each day
To face what we must.*

Find peace in knowing Caden, the sweet little boy that he will always be, is pain free... SADLY, he is not here to touch or feel but he lives on every day in your hearts...in your memories and in your thoughts of everything you do. Find time to smile and laugh at those memories. Take time to cry... most of all take time to be together at this time of sorrow. To Caden... you will so very missed by a whole lot of people. Your journey is over buddy. EARTHBOUND ANGEL

Occasionally, we are graced with the presence of an earth bound Angel. They are unable to stay with us for long, but while they do, they bring unprecedented joy and happiness to all they touch. While they are here, we bask in their goodness and marvel at their contribution to the world. When they leave, we are left with the devastation that comes with losing such a wonderful being...but we must remember...the earthbound Angels are not ours to keep. They are ours to enjoy, learn from, and behold until they return home.

“ I have been praying for Caden for quite a long time - and the other day, just imagining the anguish his family had to be going through - as well as he himself - unable to respond ----- I prayed for God to lead me somewhere in HIS word to help me understand why he had not relieved Caden's suffering.....and HE led me to this verse:

John 9:3

"Neither this man nor his parents sinned," said Jesus, "but this happened so that the work of God might be displayed in his life.

I wasn't blessed to know little Caden personally - but I feel like I somehow did, being that I have a son his age....I felt a connection as a parent I guess. I was so sad to hear of his passing, but I am so relieved that he is now in paradise with our Heavenly Father in Heaven. Caden's purpose was revealed, he touched SO many people across the world. 24,990 likes on the Prayers for Caden page.....and that's not even including all those people that share with others through their pages. THAT is a beautiful thing.

You as Caden's parents have set a beautiful example of what FAITH and TRUST in the Lord is.....God Bless you and may he comfort you in the days, months, and years ahead.

Much love, respect, and admiration.....from OVID, MICHIGAN

“ One of the brightest memories I have of Caden is when he was scooting across the wooden floor in his house, and he stuck his arm in a boot to get extra traction :) such a beautiful angel, he's definitely deserved the wings that he no doubt has right now. As difficult as this is for everyone, it's nice to know that he isn't just gone forever; he's been called home after touching countless lives, and showing all of us how to smile while swimming in a sea of pain. I love you little man, and I'll cherish every memory I have of you until the time when I can see you again :)

You have been such an inspiration, you were a true fighter Caden. You were a superhero in my eyes sweet angel. You inspired me to start a ministry reaching out to families with sick children like yours and you have taught me what fighting for life was all about. We sure will miss you Caden. He is now enjoying what we here on earth can only dream of. We are praying for God to comfort your family and give you peace and strength in this unimaginable time you are going through. I didn't personally know this little angel, but he touched my heart in the biggest way with his infectious smile! I pray that his fight has touched many more with the same effect it had on myself. May he rest in the arms of the angels.
