“ *I remember us going to their house to be watched sometimes, and all the family reunions we use to have or gatherings at Grandpa Peeks or Uncle Dons or Uncle Larry's or even when we gathered at Great Grandma Peeks. I will always remember your sweet spirit. I love you very much. Please watch over everyone and guide the lost to be found.*

“ My precious Uncle Carl will be forever missed. I remember singing with him in the band with Dad and Uncle Don. I was playing the tamborine and he would get me to laughing so hard I had to lean on the wall. His signature joke when I was standing in the back with him was to stick the words that the back up singers on the song R-E-S-P-E-C-T said, "sock it to me sock it to me sock it to me".
We had so much fun cuttin' up!
I still love listening to his music because it reminds me of the bond I had with one of the many uncles that I love so much.
I love you Uncle Carl!

I remember going to school with Carl and watching/hearing him play the drums. I can still see him in my mind's eye on the stage. My condolences to his loved ones and friends and to all of us, his classmates. Alfreda Tomlinson Nash
