“ I remember so many kind things Carla did. First she loved children and was very supportive of the "Pathfinder Clubs" for both young children and teens. When my husband was in the hospital and I was staying with him she came almost every day to bring me some food or pick up my laundry and then bring it back. Carla loved her family... and church family. If she knew of any need she was the first to come to their assistance. I will miss her very much. My love to her family. Glenda Lee Rogers,
