“ Although I did not know Carter personally, I knew him thru my daughter, Meghan Lewis. She talked about him when we would get together for our rare "mom days". My heart goes out to the family and friends. This little guy is very special, he is now in the hands of God and is no longer suffering. I prayed for my Megs to come and take his little hand and escort him up to heaven so that she can love on him and protect him. May this bring some peace and comfort to the family of this new sweet little angel. Tracy Nagel
