“ Grandma you will always be missed. The memories i have of you coming to Chicago to see us (your grandkids) as kids will be some of the many great memories i will keep. I will always remember going to Michigan in the summertime on vacations and having fun with you. You taught me how to fish amongst showing me many places i would have never seen in Chicago. I will remember having lunches with you and your friends Helen and Aida. So many more memories to share, but not enough words to express the impact you had on my life as my grandma. I love you, but i am at peace knowing you are no longer suffering. I know you will be around watching over us with grandpa and many other loved ones our family has lost throughout the years. You are free of the suffering. Until we meet again - i love you! Love always your oldest granddaughter Tiffany Pierritz and great grandchildren Destiny, Joshua, Charles, Jayden and Anais.
