“ I first met Char in 2020 in Panama City Beach. I was a recent widow and decided to spend the winter in Florida. Char was one of the first people I met and she was so welcoming to me, a new person. She loved our ladies luncheons and playing cards in the Tiki Bar. She helped Claud with the potlucks and always dressed like the lady she was. We are all going to miss her! It won't be the same at the Sandpiper Beacon without Char!
