“ My deepest sympathy to Chuck's family and friends. It's so difficult to lose a love one, and more so when they are this young. Please be assured that God is saddened by your loss also, and is very well aware of the many fond memories you shared together. He does not want your family to grieve in pain. That is why God promises to resurrect those in The Memorial Tombs. ( John 5:28,29) As you await the fulfillment of His promise, take comfort from His word and extend comfort to your other grieving loved ones. ( 2 Cor 1:3,4) You can also find and share encouragement from this site [www.jw.org](http://www.jw.org). All the best wishes for your family at this difficult time.

“ My heartfelt sympathy goes out to the loved ones left behind in Chuck's family. I went to school with Tim Empson (I was Melanie Thompson at the time) and it saddens me to hear of his brother's death. The beauty is that Chuck is now at peace and lives on in the hearts of many.

“ *Chuck always had a smile for everyone. He tried to always do his best. Life was hard at times but he always kept going.. he was always willing to help in any way that he could. He was a special person in many peoples lives. More recently he had been stopping by to say hello and have catfish whenever his mom was out of town. It was good to see him and talk. We will all miss him.*
