“ Wanda, John and Josh.... it is with a heavy heart that we post this. We send our condolences and love to you. Please know we are here for you during this difficult time. Chuck was one of our very good friends for many years. He stood up for us at our wedding, he was a fishing buddy, a good horse shoe player and all around fun friend to many when we all hung out at The Land. Chuck (also known to his good buddies as Elmer Dean) was kind hearted and fun to hang out with. He will truly be missed by anyone that knew him. Our lives are better for having known him and for having had him in our lives for so many years. We love and miss you already Chuck.

I feel so sad at hearing about Chucks death. He was a wonderful friend to Terry, Greg and myself. I remember the wonderful times fishing on the Kalamazoo River. Greg can tell a few stories about ice fishing. Now him can Terry can resume their fishing. Loved him like a son. He worked with Terry at German Corp.

“ So sorry to have you go. We only had the pleasure of meeting you and your wife after buying the house next door. He always told my husband Charles he had a good name. The two of them had plans to BBQ this summer! You will be missed. Our deepest condolences to the family.

“ So sorry to hear Charlie passed away now that he finally retired. I worked with him at Getman for many years. He was always good for a laugh or two. Usually at my expense. His sense of humor was one kind. His jokes and pranks were legendary. RIP, Charlie.
