“ My grandfather has always been a huge prankster.. Every day we seen him he would ask me what was on my shirt..? of course i would look down and he would bonk my nose! Well i decided that one day I would do the same.. He made plans for Billys Boat House for dinner and Grandpa Chuck said they have to best wet burrito around.. The whole family sat and had a great dinner.. and when we were all outside getting ready to get in the cars..I leaned forward and poked his shirt.. Grandpa.. whats that? wet burrito on your shirt? He looked down.. and i bonked him! Needless to say the whole family cheered... I watched him bonk my son since he was born.. :) but hes a little like grandpa.. he just did it right back..
