“ So sorry to hear of Uncle Chuck’s passing. Thank you Victoria for taking care of your parents. Your devotion to them has been inspiring. So glad we all got together for last year’s Halloween party and were able to visit and be with family. Thinking of both you and Edwin during this sorrowful time.

“ Our condolences to chucks family. I was just thinking a few days ago that I had not talked to my cousin for some time. We always seemed to have some long winded conversation about family and the old days on the farm, he will be missed.
