“ *Aunt Char was truly an amazing women. She had a spirit about  
here that only few people have. She could make you laugh so hard  
that tears would roll down your cheeks. She was really a blessing to  
our family and I am honored to call her my aunt. I have so many  
memories of her it is hard to pick just one. However I will narrow it  
down. I will never forget the numerous visit we were blessed with of  
her stopping by my parents house with a bag of "goodies" for me  
and my mom to go through. There was clothes or decorations and  
even little toys for my kids. I can't even count how many bags we  
have gotten through the years. And I can't recall all the things we  
even got in those bags. But what will always stick out to me is her  
generosity and her endless love for us. Our funny talks or her  
wonderful laugh. I will be missing her and she will forever be in my  
heart until I see her again. Until then God will be taking good care of  
her.*

“ When I was about 10 yrs old, Aunt Char took me to get my ears pierced even though my dad had told me I couldnt. He told me that if God wanted me to have more holes in my head, he would've put them there. I also remember going to visit Aunt Char & Uncle Orlin in New Hampshire with Mom & Dad & Aunt Shirley & Uncle Glenn!! It was one of the funniest trips ever!! I remember Aunt Char called Aunt Shirley Mrs. Wiggins the entire time.....and Uncle Glenn snored so loud that I couldnt sleep and I ended up crying to Mom!!

Char would cut my hair when I was a teen. she made the best spaghetti. Char has left us all with so many warm memories. Char will be missed by all of us. we love you Aunt Char

“ I have memories of Aunt Char from when I was young and she would let me play with the doll that she had from her childhood. She would always have cookies when we went to visit and she let me drink coffee like one of the adults.  
It's those little things that make lasting memories.

*Rest in peace Aunt Char.*

*Aunt Char and I had the most adventurous time, when on the spur of the moment, I took vacation time and rode a greyhound bus with here back to New Hampshire. We meet some crazy people on that trip, our luggage got lost, and we had the fire truck at the house in the morning for a fire in my bedroom closet. She took me to a friends apartment while we did laundry, after we got our bags, and I had my one and only first taste of real moonshine. Whew! Many other memories come to mind of Christmases at Grandma and Grandpa Eberhard. I loved her spirit and joy of life and that life will always be in my heart. Love to you Uncle Or, Steve and Doris and know I will carry her memory always.*
