“ *I am so sorry for the recent loss of your loved one, Cherie Pomeroy. I have a brief encouraging message I would like to share with you from God's Word, the Bible. The Bible can be a great source of both and comfort and hope at this most difficult time in your lives. For an example, at Revelation 21:3-5 it assures us that the day is soon coming when our most loving Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and that even death will be no more. I hope after reading this it will be of some comfort to all of you. If later you would like to learn more from the Bible about why we die or why would a loving God allow so much suffering and injustice, please feel free to go to the website: [jw.org](http://jw.org)*
