“ I remember out time together on the 1960 basketball team. He did not look like a basketball player but he sure made that up in hustle and a talent for finding the open man.  
I saw Chet a few time at North Lake Inn about 10 years ago.  
Chester passing makes us take a look at the past & present. He will be missed.

“ Chester was a kind and gentle soul who will be dearly missed. He made North Lake Inn a great place to go. His sense of humor, smile and spirit will not be forgotten. I loved the story he told at my father's memorial, it was very funny and touching and really meant a lot. These are some photos taken around 1975: Pete and Chet out hunting.

“ Word of Chet's passing is a deep shock. We were true friends through school and enjoyed countless hours of sports, hunting, fishing and enjoying the times together. Although I have not seen Chet since our 50th class reunion, our times together will always remain a positive chapter in my life. R.I.P. my dear friend and one of these days we'll again share our pheasant hunts together.
